

Dear Community Member:

Mat-Su Sea Hawks are changing the lives of Mat-Su and Alaskan youth through our promotion of health, wellness, and leadership development activities.

Established in 2006 to help guide Alaskan youth development resources, and serve as a catalyst for community betterment, our volunteer Board of Directors governs Mat-Su Sea Hawks, a non-profit 501(c)(3) corporation.

It is because of the strong collaborations we have established with volunteers from the Seattle Seahawks, from the Mat-Su Sea Hawks, as well as meaningful partnerships with local sponsors and other Alaska community charities that our ongoing outreach mission is successful.

We support community health and well-being through volunteerism, community donations, and sponsorships. Mat-Su Sea Hawker Alaska Community Outreach enhances community health and well-being by promoting interactive visits and activities that encourage mental and physical well-being among Alaskan youths, youth patients at the Children's Hospital in Anchorage, the Alaska Native Medical Center, and the Ronald McDonald House and by raising funds for supporting local Alaska charities. Since 2006, we have invested over \$500K into youth sports and community related charities and programs. We have built a scholarship endowment fund that is over \$58K and a community infrastructure non-endowed fund that is over \$196,000.

Mat-Su Sea Hawks respectfully requests your support – by participation, financial donation or donated item(s) – for our upcoming annual fundraising dinner and auction. This event will be held on July 10<sup>th</sup>, see attached flier for more information. Your support will help ensure that crucial health, wellness, and leadership training and competition for our youth continues.

Your support will be recognized at our annual fundraising dinner and auction, and your company will be applauded as a leader in corporate citizenship for helping provide these opportunities to Alaskan youth. We look forward to hearing from you soon and thank you for supporting Mat-Su Sea Hawks!

Sincerely,  
Mat-Su Sea Hawks Board of Directors
